How much should I pledge this year?

Pledges vary based on income, expenses, and personal circumstance. We encourage you to use the UUA’s Fair Share Contribution Guide, which encourages you to consider your contribution as a percentage of your income. In making your decision, consider the four commitment levels below and how they relate to your engagement. Note that within each commitment level, *the guide is progressive*, with giving levels rising with capacity.

Unitarian Universalist Association’s Suggested Fair Share Contribution Guide
