- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The rights of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

## Our Continuing Bond of Union

We, whose names are hereunto subscribed, desiring a religious organization in the spirit of Jesus of Nazareth, which shall make integrity of life its first aim, and leave thought free, associate ourselves together as the First Unitarian Society of Madison and accept to its membership those of whatever theological opinion, who wish to unite with us in the promotion of truth, righteousness, reverence and charity among all.

so surely with us, there is a  
voice within, if only we would  
listen to it, that tells us so  
certainly when to go forth  
into the unknown.”
