

GIVING ONLINE TO FUS

A how-to guide to make
your pledge online.

MAKING YOUR PLEDGE ONLINE IS SIMPLE & SECURE. YOUR GIFT MAKES OUR WORK POSSIBLE. THANK YOU.

DETERMINE HOW MUCH YOU WANT TO PLEDGE. WE ENCOURAGE YOU TO CHECK OUT THE UUA'S FAIR SHARE CONTRIBUTION GUIDE TO ASSIST YOU IN THE DECISION-MAKING PROCESS.

UUA SUGGESTED FAIR SHARE CONTRIBUTION GUIDE

The guide below is a recommended resource from the Unitarian Universalist Association (UUA) for determining how much to give to the Stewardship Campaign. This resource is meant to be a guide only. Each household has different life circumstances that impact how much they are able to give and every gift matters.

Using the Guide is a simple, 3-step process. Giving is a function of commitment and resources.

1. Determine your monthly income or resource level. \$ _____.
2. ADD to your income level any unusual or periodic income (inheritance, investment income, etc.) and SUBTRACT any unusual expenses (large medical expenses, care of parent, other large financial expense, etc.). This new total is your Adjusted Monthly Income. \$ _____.
3. Review the adjusted monthly income column, move to the right to find a suggested giving level that you are ready to support, between 2% and 10%, depending on adjusted income level of commitment.

The four commitment levels:

- Supporter:** The congregation is a significant part of my spiritual and intellectual life that I want to support. My fair share financial commitment starts at 2% and rises to 6%.
- Upholder:** The congregation is my central community I am committed to sustaining the programs and ministries of my congregation. My fair share financial commitment starts at 3% and rises to 7%.
- Visionary:** My commitment is a clear demonstration of the unique importance of this congregation and of my spiritual principles. My fair share financial commitment starts at 5% of my income and rises to 9%.
- Transformer:** I am deeply committed to the congregation; my contribution provides fuel for transformation and is part of my spiritual practices in living out my UU Principles. My fair share financial commitment represents 10% of my income.

As stewards, we are entrusted to nurture and build on the legacy of our community, so future generations may benefit from our rich religious heritage. Our work is made possible through the giving of our time, our talents, and our financial means. Our individual generosity is what makes a difference when we give together. Our 2020 Stewardship Campaign asks you to declare your financial intentions for the 2020-2021 fiscal year. By raising \$1.17 million together, we can continue to celebrate the great diversity among us, including the diversity of financial situations. Your gifts, talents, and time are vital to our work.'
